Tish Prouse  
Candidate for City Council  
12008 Fort Road  
Edmonton, AB, T5B 4H1

Re: Letter of Endorsement

To whom it may concern.

I am happy to write a letter of endorsement for Mr. Tish Prouse's campaign for city council in the Edmonton 2017 elections.

I have gotten to know Mr. Prouse as an engaged advocate for his home city, as an ambassador for everything Edmontonian. He strives to represent our city in everything that he does. It is not often to meet such people, who represent the city as well as he does long before they enter public life.

As a fellow businessman, I also recognize Mr. Prouse as a successful entrepreneur and business person with a vision, both long and short term. In his business endeavours he considers the best interest of his business as well as the interest of the greater good. I greatly respect that in a person and especially in a businessman who does not lose sight of the greater good in his efforts to turn a business venture successful.

I gladly agreed to endorse Mr. Prouse in his campaign as I truly believe that he will be an excellent city councillor and by far the best choice in his ward.

I would encourage every voter in Ward 6 to vote for Mr. Prouse to represent them in the coming legislative period. It is time to put men and women in the city council who have a proven track record and the right vision for our city and their constituents.

Best regards

**Nick Siegenthaler**  
*President*

A handwritten signature in black ink, appearing to read 'Nick Siegenthaler', written over the printed name and title.
