To our fellow Ward 6 Edmontonians:

We have two generations and more than 30 years of active business life in and around the City of Edmonton. We have seen the City suffer under poor management and repeatedly miss its potential. In Tish we see a man with the practical sense, the work ethic, and the force of character to set the City on a better path.

We built a new hotel in Ward 6, the first new hotel in downtown Edmonton in a generation. We believe in this City. Sadly, the City at times does not believe in its people enough to be true to its commitments. We see the problem of homelessness every day at the very doorstep of the hotel. Every year we welcome over 50,000 guests to the City of Edmonton. What they see out of their guestroom windows along 96th Avenue embarrasses us, and ought to embarrass the City and its councillors. Tish has been bold & upfront in approaching us to understand our concerns. He alone has presented real solutions to the homelessness and blight in the potential-rich east side of downtown.

We see in Tish a councillor that will ensure constancy of administration, rather than moving from one flashy new idea to the next. Tish, we believe, will keep the City disciplined and accountable, and thereby free it to realize its true potential.

We endorse Tish Prouse for Ward 6 without hesitation.

Sincerely,
