

To whom it may concern,

May 21, 2017

I like to thank and congratulate Mr. Tish Prouse in regards to our interactions with the Eastwood Community Hall. Mr. Prouse was very helpful and willing to accommodate the Edmonton Swiss Society in their functions at the facility.

As we found a new home for some of our activities Mr. Prouse was also instrumental to have the local Eastwood Community participating in our special evenings as well. Mr. Prouse is a community-minded individual, and he is the type of person I want to have working with our communities in City Hall.

I wish Mr. Prouse continued success,

Karl Strickler
